

As the end of the 2020 season is approaching, we would like to thank all members for their dedication to following the new protocols that had to be implemented in order to remain open for golf. From not touching flag sticks, no rakes in bunkers, social distancing, and the limits of socializing in the clubhouse we can all be proud that we pulled this off. We have the best members and we look forward to many more years of great golfing ahead of us.

Our team at Rivershore Golf Links feels 2020 has been a year of success in navigating our way through a global pandemic. We finished the year with 485 members and currently over 38,000 rounds played. Our goal remains to be the best golf experience in the region. We remain committed to our bunker renovation program as well as targeting improvements to select tee boxes, improving our practice areas, and a bridge replacement project on the 16th hole. A strong and active membership ensures our club stays financially sound, allows our club to further invest in course and facilities improvements and assists in attracting the brightest and best to our service teams.

As you may be aware, we have already begun our 2021 Membership Drive with an exciting option for first time members to join our club. 2021 Memberships are available to new Members with a 50% discount.

We have decided to continue with our member referral program, as in the past. For each and every member that you introduce to the club, you will receive a \$100 credit to be used anywhere in the club.

We are also excited to continue with our Draw for Free Dues again this year. If you renew your 2021 dues in full prior to December 1, 2020, your name will be entered into a draw for a chance to receive your 2021 membership free. The draw will take place on Friday December 11. Unfortunately we will be unable to host our annual Pro Shop Wine and Cheese party but we will have a huge pro shop inventory sale on December 11, 12, & 13.

Members that renew prior to December 31st, will receive two complimentary passes to be used during next year.

For the 2021 Season our annual dues remain very competitive within the Kamloops golfing market. Prices for renewal are:

Partners: \$4100
Single Member (no restrictions): \$2300
Restricted Member (Mon to Fri): \$1985
Limited Membership (after 1pm): \$1400
Intermediate: \$1200
